

TRASH HOT SPOT SELECTION FORM

ACF&WCD

Site ID: ACF_War_2

Site Information

Waterbody: Ward Creek

Site Location: 300 Feet upstream of the 20 tide gate structure, Hayward

Jurisdiction: Alameda County Flood Control

Ownership: Alameda County Flood Control

Agency Contact: Pat Mattison, 510-670-5524

Justification

Upstream of the 20 tide gate structure, debris and garbage is deposited in the channel because of the structure.
